A Chiropractic Discount Card

Like you, more people are realizing the benefits of chiropractic care. Unfortunately, as the cost of health insurance continues to rise, many health insurance plans have increased the co-payments and deductibles you pay when you visit your physician. Coupled with this, many health insurance plans have little or no chiropractic coverage resulting in a higher out-of-pocket cost to you when you visit your chiropractic physician. **acclaim!** was created by the Oklahoma State Chiropractic Independent Physicians Association (OSCIPA) as a way for your chiropractic physician to offer you savings through a medical discount card. The **acclaim!** card gives you, and all of your family members residing in the same household, immediate savings by simply presenting the card to your personal participating chiropractic physician.

DISCOUNTS AND AVAILABILITY

acclaim! is not insurance and cannot be used in conjunction with your traditional insurance plans. However, if you do not have health insurance, or your benefits do not include or severely limit chiropractic care, the **acclaim!** card offers significant discounts to you and your family. Each time you or your immediate family member visits your personal participating chiropractic physician, you receive a 25% savings on all in-office chiropractic health, diagnostic, and x-ray services. Your savings can exceed hundreds of dollars each year! Certain supply items may not apply. See your personal chiropractic physician for details. There are no claim forms to submit and pre-existing conditions won't affect your discount.

HOW IT WORKS

You can begin saving immediately with **acclaim!** by completing the attached enrollment form. Return it, along with your payment, to your chiropractic physician. This card is not transferable to other chiropractic physicians. The discount card is valid for one year with annual renewal notices to continue these savings. Simply present your **acclaim!** card to your chiropractic physician and you will receive a 25% discount on all in-office chiropractic health, diagnostic, and x-ray services. The discount is applied to the office's usual charges. These are the same charges that your chiropractor submits to insurance companies for all of their insured patients. Through your **acclaim!** card, you receive a similar discount that insured patients receive. For any questions, contact our customer service during normal business hours (central time zone) at 918-641-0444 or visit us on the internet at www.oscipa.com. Once you have enrolled, your discount will be deducted when you pay for each office visit. Just present your **acclaim!** card. It's that easy!

Enrollment is simple. Complete this enrollment form (front and back) and give the completed application to your chiropractor with your payment. You may receive your discount immediately on this visit! Your membership card(s) will arrive in approximately 15 business days.
